

Dear FAST TIMES '80s Music:

Thanks for playing at our 10<sup>th</sup> Wedding Anniversary on August 28<sup>th</sup>, 2004.

We loved you guys! You were totally awesome! Everyone kept coming to me to say "We really enjoyed this band! Who are they?"

For me, it was so much fun to dance and groove to the '80s songs you play. You brought so much energy to the party! Things were so much better than we expected.

You were also very professional. Always returning phone calls, emails and following up on all the important details really paid off. It was great that you learned (just for us!) some non-'80s songs to make our night memorable. Your outfits were really cool, too.

I can't say enough about FAST TIMES. You guys are great and I would definitely recommend you to anyone wanting to hire the best '80s cover band in New England.

Sincerely,

Christine Weitzel
